
LOCKER RENTAL

The Board has decided to rent out 50 lockers to our men's members. The cost for renting a locker for one year will be \$100 plus GST.

To put your name on the list for a locker please register at the front desk by September 10th. If we have more people wanting lockers than lockers to provide we will do a draw on September 11 to see who gets a locker for the year.

Once the draw is finished, the people who have been picked to have a locker for the year will be able to pick their locker on September 12 at 8 AM. They will have that locker until August 31, 2018.
